Brief summary of the activity:

KLE S. Nijalingappa College, Department of Zoology has the best museum facility maintained. As a part of MoU signed between the Department of Zoology Of both Maharani Lakshmi Ammanni College for Women Autonomous and KLE S. Nijalingappa College, A student exchange activity was organised where in 8 students of our college visited Museum and had the glimpse of the wide range of specimen including the human foetus preserved.

These students also attended the practical session which was on-going and learnt about the biostatistics applications.
