About College

Maharani Lakshmi Ammanni College for Women Autonomous, MLACW (now mLAC) is an institution of excellence located strategically in the vicinity of national institutes of repute, such as Indian Institute of Science, Institute of Wood Science & Technology, National Institute of Advanced Studies, Raman Research Institute and Central Power Research Institute. These acclaimed institutions serve as an ideal paradigm for mLAC on academic, scientific and other forefronts. Being located in the heart of Bangalore city, the institution is well connected. The various departments of the institution are spread over three floors with ICT enabled classrooms and labs. All the labs are adequately provided with ergonomically designed furniture and fixtures, equipment, lighting and ventilation, so as to facilitate students and teachers to work with ease. The quadrangle is a hub of students' activities and the airy lounge is the perfect place for students to unwind after a busy day.

The Computer Science and Biotechnology labs are amongst the best in the city and the institution was the first to establish a Business Lab which is visited by many contemporaries for its design and content. A fully equipped gymnasium managed by a trainer and a first aid facility staffed by a qualified nurse are some of the student support services available on campus. An air-conditioned auditorium, an open-air theatre as well as a seminar hall are available for extracurricular and co-curricular activities. The UGC Network Resource Centre, ED Centre, Business Lab, English Language Lab, Bio Informatics Facility, Animal House, Zoology Museum, Ramanujan Math Foss Lab, Counselling Centre, Placement Centre, Psychology Lab, Reprography Centre and Cafeteria are also located inside the campus.

STIMULUS

The seminar on Empowering Bharath @ 2047 will be held on June 3rd and 4th, 2025, focusing on the vision of building a developed, inclusive, and innovation-driven nation by 2047. This two-day event will bring together students, scholars, professionals, and thought leaders to engage in meaningful discussions on inclusive growth, innovation, and sustainable development.

Featuring expert talks, panel discussions, and interactive sessions, the seminar will provide a platform for sharing ideas, exploring emerging trends, and understanding the role of innovation and equity in shaping the future of India.

Participants will gain valuable insights, broaden their perspectives, and connect with like-minded individuals dedicated to driving positive change and contributing to the vision of Viksit Bharat.

Key Outcomes

1. Promoted inclusive development across all regions and communities.
2. Encouraged innovation through research, startups, and technology.
3. Empowered youth as key drivers of change and development.
4. Focused on sustainability and long-term social impact.
5. Outlined policy directions for achieving Vision 2047.

About Seminar

“Empowering Bharath @ 2047: Inclusive Growth, Innovation and Impact for a Developed Nation”

This seminar aims to explore the vision of transforming India into a developed nation by 2047, through the pillars of inclusive growth, innovation, and meaningful impact. It provides a platform for students, scholars, professionals, and thought leaders to engage in insightful discussions and share ideas that address the evolving social, economic, and technological landscape of the country.

The seminar will focus on key areas such as equitable access to opportunities, the role of innovation in driving sustainable development, and the need for impactful policies that uplift communities and empower individuals. By fostering collaboration and knowledge exchange, the event aspires to contribute towards building a stronger, more inclusive, and future-ready Bharat.
