

Vivekananda Kendra

The **Vivekananda Kendra** of our college works to spread the ideals and teachings of **Swami Vivekananda**, emphasizing youth empowerment, character building, and spiritual growth. It motivates students to live purposeful lives rooted in service, discipline, and national pride.

Purpose:

To inspire students through the philosophy of Swami Vivekananda and to promote holistic development — physical, mental, and spiritual.

Key Objectives:

- Encourage moral and value-based education.
- Foster self-confidence, discipline, and patriotism among youth.
- Conduct lectures, seminars, and workshops on personality development.
- Promote service-oriented activities and national integration.

Gandhian Study Centre

The **Gandhian Study Centre** aims to spread the principles and philosophy of **Mahatma Gandhi**, focusing on truth, non-violence, self-reliance, and rural development. The centre organizes **seminars, essay competitions, and community outreach programs** to promote Gandhian ideals in everyday life.

Purpose:

To create awareness about Gandhian values and inspire students to apply them in social and personal life.

Key Objectives:

- Promote peace, non-violence, and moral integrity.
- Encourage sustainable living and rural development.
- Organize awareness programs and cultural activities based on Gandhian thought.
- Develop youth leadership rooted in ethical and social values.

Red Ribbon Club (RRC)

The **Red Ribbon Club (RRC)** works under the guidance of the National AIDS Control Organization (NACO) to spread awareness about **HIV/AIDS prevention, blood donation, and healthy living**. It aims to build youth leadership and motivate students to take responsible decisions regarding their health and social behavior.

Motto: *“Awareness and Action for Health”*

Purpose:

To create awareness on HIV/AIDS, promote voluntary blood donation, and encourage a healthy, stigma-free lifestyle among youth.

Key Objectives:

Educate students about HIV/AIDS prevention and care

Promote voluntary blood donation.

Develop responsible attitudes and leadership among youth.

Eliminate myths and stigma associated with HIV/AIDS
